Artist and Gallery Listings, Map, and Shuttle Schedule

Welcome!

A Message

from

Elizabeth Patterson
Mayor, City of Benicia

Welcome to the beautiful historic city of Benicia and to Benicia Open Studios weekend, sponsored by Arts Benicia. You will have fun and enriching experiences as you visit artists' studios and local galleries and take in the friendly ambience of our waterfront town. Well over 150 artists will be participating, with unique artwork of all types, mediums, and styles. Open Studios is the perfect opportunity to add to your personal art collection, by purchasing an original work directly from an artist that you admire. Plus, being able to talk with the artists about their work and their creative process makes the experience even more rewarding and memorable.

Benicia has a rich art history with a thriving visual and performing arts community boasting more than 13 art galleries, including Arts Benicia and Jen Tough in the historic Arsenal District, and eleven galleries along First Street. Benicia is also home to the Benicia Ballet, Voena Children's Choir, Benicia Old Time Theatre, Benicia Literary Arts, First Tuesday Poets, and the Benicia Historical Museum. A growing public art presence is in evidence throughout the town from the colorfully painted utility boxes to dynamic sculptures along the shoreline.

There's much to see and do in Benicia, including a delightful array of restaurants, pubs, boutiques, and antique stores. Let this catalog be your guide this weekend, and on return visits. On behalf of our City and our many merchants and art community, we hope you enjoy your time at Benicia Open Studios, and come back again soon.

Thank you

the Board of Directors
of Arts Benicia

... my heartfelt gratitude for all that you do to support the city of Benicia and the community of artists who thrive here; and for your personal artistic and spiritual contributions to the welfare of this village. We recognize what you each do to build our exhibitions, introduce our children to art, engage the best in art instruction and present creative, diverse and unique art programming.

Well done!
