## **Biography**

Stephanie is a graduate of the Yale University Fine Arts program. After a 20-year career as a creative director and brand manager, she returned to her fine arts background in 2009. Stephanie works out of her studio at Marin MOCA (Museum of Contemporary Art) in Novato, and has shown her work through solo shows as well as in many national and local juried shows and galleries. Her work is included in private collections around the United States and internationally.
