OBJECTIVE

United States artist looking to continue enhancing artistic abilities and growing knowledge of new techniques and materials. This exhibition would allow for my complete body of work to gain recognition while expanding and diversifying my portfolio. This submission is a testament to the unusual introduction into my career as an artist – using my love of texture and stories to illustrate moments onto canvas.

EXPERIENCE

ARTIST/OWNER [SARA DAVIS DESIGNS]

Baton Rouge, LA & Nashville, TN / June 2015 – Present

- Design, develop, and deliver art pieces to clients according to specifications
- Create mixed medium canvases to submit to local galleries
- Maintain social media presence and website design updates
- Collaborate with Actor and Screenwriter, Adam Stephenson, to produce illustrations for his debut Children's Picture Book.
- Expand my world view by traveling and exploring different materials and textures to use in my art
