

JUDITH ROHRER Artist Statement

This painting is part of a series of works inspired by the Women's March and movement which began in January of 2017. The female form is the backdrop for the abstract paintings and/or collage within it. For me, art is a way to translate my feelings into color, line and form. It helps me connect with deeper places within myself and with others. My favorite media are acrylics, colored pencils, oil sticks and hand-made papers.

I received an M.A. in Art from San Francisco State University and have been in several group and solo shows in the Bay Area. I am currently a juried member of ACCI Gallery in Berkeley and Valley Art Gallery in Walnut Creek. Please visit my website at www.judithrohrer.net to see the see a broader display of my figurative abstract pieces or call me at (925) 689-4099 for more information.
