AFTER TRYING AT LEAST 8 BRANDS OF COLORED PENCILS... THIS ONE! ... "MISU LOVE" WINS THE RACE!... IT MIXES WELL WITH PASTEL PENCILS, SHARPENS WELL...YAY!... INEXPENSIVE... LAYERS WELL, AND did I say... SHARPENS WELL WITHOUT USING A RAZOR BLADE... NOW... THERE ARE MORE EXPENSIVE brands such as **Stable Carbothelo, which is wonderful but much more expensive and lacking all the sepia colors until you buy the \$80. set... Up to you!**
